www.waurisa.org

The Washington chapter of URISA invites you to submit a proposal to conduct a workshop for the Washington GIS Pre-Conference.

We are seeking instructors to give educational presentations and workshops on a wide range of GIS topics. All submissions are welcome and will be evaluated as a potential workshop focus.

Possible workshop topics include:

- Implementation Topics: Transportation, Asset Management, Emergency Services, Cadastral, Mobile GIS, Remote Sensing, UAS and Lidar.
- Data Topics: Open Data, Database storage, SQL for Spatial, Big Data.
- Process Topics: Map Production, Data Creation, Communication.
- Developer Topics: Python, .NET, Arc Model Builder, Customizing Apps, Open Source solution.

Workshop details:
Half-day & Full day
8:30-12:00 and 1:00-4:30
May 22, 2018 in Olympia, WA

DEADLINE: December 22 2017

Attendance at these workshops averages 10-50 per workshop.

Presenter benefits:

Workshop presenters will receive a portion of the proceeds from the workshop. Amount will vary based on enrollment numbers.

Organizers will be in touch after submissions to work out specific details.

Abstract submission requirements:

- Workshop Title
- Presenter Bio(s)
- Workshop Description (to be published in the conference program 300 word limit)
- Intended Audience
- Learning Objectives
- 1/2 or full day

Send abstract submissions to
